Please look at this draft and delete whatever needs to be deleted. I just added some stuff which may not be relevant.
Please send me back the draft on Monday.

Hi All,

The PR for the \$100K has been approved and was assigned to Tammy Adams. Let me know if there is anything else I need to do.

Tammy works for CPOD. Don't know if that affects EAS in any way ☺.

I would say so, I thought she worked for CPOD, but the info in EAS should current. She left EPA at one time, and just recently came back.

Thanks Ahmar.

Hi Tangela,

I noticed that Tammy Adams works in OARM/OAM. EAS has a code OARM/OAM/IO. Is that the correct code for the EAS "deliver to office" entry?

Thanks,

Matt

I can't help with the code (I'm guessing Tangela can), but I can provide the contract number: EP-C-13-039.

Hope this helps!

Thanks. I'm sort of stuck in EAS until I can provide the correct place to deliver the PR and the existing contract number.

Ahmar or Tangela, can you please help Matt with his request below? (Sorry Matt, I don't know anything about PRs!)

Hi Erica and Ali,

Do you have a previous example of a PR that went to Abt through Tammy Adams, so I can fill out the EAS form correctly? If you don't have that, could you please send me the "deliver to code" and the existing contract number?

Thanks,

Matt

Adding Diane and Matt to the chain in case they have any questions for Tangela or Ahmar. Thanks!

Please make sure that the money heads out to Tammy Adams, the CO for the contract.

I would say just make sure it is going to the Abt contract, and they have all the info to process the PR from Ahmar.

Thanks.

FYI, sounds like a PR should be coming soon from R9 to go in Ali's work assignment through EAD. Hope this goes smoothly, but let us know if you need anything from us. Thanks!

Hi Erica & Ali,

Just FYI: Matt just received the "go ahead" from our grants office to process & send you the \$100K PR, for Abt (\$45K for the SF Bay/Delta economic analysis & \$55K for other CA economic analyses).

You should see this money shortly!
